MAINTAINING A SAFE ENVIRONMENT

We are blessed to have so many young people in our church family, and their safety is very important to us. **Please help us by ensuring children are supervised at all times and that teens remain in appropriate areas during services and activities.** Thank you for helping us care for and protect our church family.

WELCOME

Dear Church Family & Visiting Friends,

In this season of thanksgiving, we certainly have much for which to be thankful. Yet Paul's command for Christians to rejoice always may still seem a bit of a stretch. How can we be expected to always rejoice when there are so many other reasons for pain, discouragement, and heartbreak? In today's message, we will discover what it is that makes this type of perpetual rejoicing something that spontaneously flows from the core of who we are.

Blessings & Peace
