Stewardship Update / Giving

WELCOME

There's a box in the church hallway. It includes bibles, books, water bottles, umbrellas, and other things. It is loaded with items that previously belonged to their owners but are now just sitting there. They went missing and were later discovered. I'm sure the owners might miss these things, but they might just not know who to ask. What if what was lost was something extremely valuable: the Truth. In the midst of historical darkness, God preserved the light of truth. Truth that is transforming our lives today. As we approach another Reformation anniversary, it is time to conclude our Forecasting Hope series by looking at the truths that were lost at one time but found by the Lord.

SOLA SCRIPTURA (BY SCRIPTURE ALONE)

"As Martin Luther was on trial for his writing of The Ninety-Five Theses, he faced the choice of recanting the words he knew to be true or become a convicted outlaw and heretic by order of the Roman Emperor. This is what he said:

"Unless I can be instructed and convinced with evidence from the Holy Scriptures or with open, clear, and distinct grounds of reasoning ... then I cannot and will not recant, because it is neither safe nor wise to act against conscience." Then he added, **"Here I stand. I can do no other. God help me! Amen."**
