# WELCOME

**D**ear West Wilmington Family,

It's a privilege to be part of this journey of faith with each of you. As we walk together, let's remember that God calls us to be more than spectators in His work. Like a tree that is known by its fruit, our lives are meant to reflect the love, grace, and power of Jesus in tangible ways. We're invited to be more than just present; we're called to be active, engaged, and fruitful, making an impact that reaches beyond our church walls. This means loving our neighbors, sharing the gospel, and caring for each other with genuine compassion. Let's commit ourselves to being a church that not only welcomes everyone who comes through our doors but also reaches out to those who haven't yet encountered the love of Christ. Together, let's deepen our faith, grow our love, and expand our reach so that our church family becomes a beacon of hope and joy in our community. May we embrace this calling with humble hearts, seeking always to bring honor to God in all that we do.

With love and great admiration for each of you, Pastor Rick Cala

# STEWARDSHIP

Revolutionary Generosity, Life Management (Stewardship) may be categorized into seven (7) basic stewardship lifestyle philosophies The 7Ts, or T7 Concept. This week, we will look at the first four:

## **T1-Time**

- ◆ Spiritual: individual, personal worship, bible study & relationship building with God (Time with God).
- ◆ Practical: – Time Management: Organizing time for family, the individual's life, and planning for the future.

## **T2-Temple-Body**

- ◆ Spiritual: "Your body is the temple of the Holy Ghost" The individual is a temple of God, comparison to the Bible sanctuary—living temples.
- ◆ Practical: Body-health management, natural principles of health.

## **T3-Talent-Gifts from God.**

- ◆ Spiritual: God gives individuals gifts to do His work.
- ◆ Practical: God gives individuals talents to have gainful employment.
- ◆ T3.5-Terra: we place care of the planet (Terra firma-Mother Earth) under Talents. Since Talents represent our God-given ability to manage the gifts, he has given His people to bless His church. And in a practical sense bless the world with skills He has given mankind to produce items we enjoy in life. He also has given humans gifts to take care for every aspect of the planet (stewards of the Earth), Terra (T3.5).

## **T4-(His) Treasure-**

- ◆ Spiritual: Relationship with God through the Tithe and Offering.
- ◆ Practical: Personal finance/Money management/Debt relief/Building wealth.

**Thank you for your faithfulness in giving. You can return your tithes and offerings in 3 ways:**
